

CERTIFICATE

OF COMPLETION

This is to certify that

Amanda Reis Matos

was a participant on the Au Pair in America program
from 15 March 2023 to 14 March 2024

Au Pairs provide 45 hours per week of childcare for families throughout the United States. The position of an Au Pair within the family home is one that demands responsibility, flexibility and a mature attitude. During their time in the United States, Au Pairs gain valuable experience that prepares them for a future in any career.

In addition to childcare duties, each participant on the program attends an educational course for a minimum of 6 semester hours of academic credit (or equivalent) and is involved in cultural activities within the local community.

This certificate testifies that the above named has completed the duties within the guidelines established by our program and by US Government regulations, and was issued a J-1 visa by the American Embassy.
